Re: Mid-Year Report
Hispanic Unity PAC

This is in regards to your letter reviewing the above referenced report for Hispanic Unity PAC.

The contributions to Bob Weygand for Congress, Debbie Stabenow for Senate, Mark Udall for Congress, and Tom Udall for Us All that were reported on Schedule B, were contributions that were made in error. We have requested the contributions to be returned to us. The refunds will be reported in our next report.

The expenditure to Committee to Re-elect Loretta Sanchez was not a contribution, but a reimbursement for operating expenditures. However, this expenditure was also refunded to us and will be reported in our next report.

Volunteers operate Hispanic Unity PAC; however, we have had some recent administrative expenses, which will be reported in our next report. There have been no in kind administrative expenses at this time.

We have also enclosed an amended Detailed Summary Page, which corrects our calculations.

Thank you for your consideration of this matter.

Sincerely,

Kinde Durkee
